Consolidated Civil Action
01 Civ. 1855 (RMB)

Richard M. Berman, U.S.D.J.:

Upon Plaintiff's application by letters dated December 3, 2001 and December 21, 2001 indicating, among other things, that M&G Investment Management Limited no longer is willing to serve as lead plaintiff in this action but that The Trustees of the Ontario Public Service Employees' Union Pension Trust Fund ("OPTrust") is willing to serve, the above-entitled action is hereby restored to the active docket of this Court.

OPTrust is hereby appointed to serve as the sole lead plaintiff in this litigation.

Counsel for Plaintiff is directed to serve and file the Second Consolidated Amended Class Action Complaint ("Second Amended Complaint") by January 18, 2002 at 2 p.m. The allegations in the Second Amended Complaint should, among other things, detail how the claims of OPTrust are typical of the claims of other Class members. Defendants shall have until February 7, 2002 to answer.

Dated: January 10, 2002
New York, New York
